

## Administrative Fee Expenses

Although every vehicle doesn't get every item listed here, the admin fee that we use is based on an average of all cars sold in a year. The uncharged for expenses that are covered by Green Wave's admin fee are as follows:

- Title paperwork processing and fees for NH (other states may be extra due to additional charges levied by the states)
- Temporary license plates
- Vehicle reinspection for new owners
- Full charge on battery
- Level 1 charger
- Document prep and retention
- Express postage for documents to go to state and finance institutions
- Delivery prep and detailing of vehicle
- File and clear liens
- Vehicle orientation
- Cost of required forms and supplies

Additional costs by state are as follows:

Massachusetts:

- If we handle the DMV run with the registration - \$299
- Registration fee \$60
- Title fee \$75
